

JOSUAN LEONARDO HULOM

Software Developer

Cebu, Philippines | +63 968 200 6456 | hulomjosuan@gmail.com | josuan.cv

SUMMARY

With a background starting from a solid internship to a contractual basis, personal projects, and a Bachelor's degree in Information Technology, I am a detail-oriented and results-driven software developer pursuing software development as my core focus and craft, working collaboratively to deliver reliable software that fulfills client needs.

EDUCATION

Cebu Roosevelt Memorial Colleges | Bachelor of Science in Information Technology | 2022-2026

Relevant Coursework: Full-Stack Development, UI/UX Design, Data Structures & Algorithms, Database Management Systems (DBMS), Statistics and Machine Learning.

EXPERIENCE

Pacific Equities Group | Full-Stack Developer Consultant | May – Jul 2026

Developed full-stack POS infrastructure and REST APIs for QrWise Clinic using TypeScript, Next.js, and Supabase.

Pacific Equities Group & Cebu Roosevelt Memorial Colleges | Back-End Developer Intern | Jan – Apr 2026

Engineered server-side architecture, database schemas, and REST APIs for Everyshelf during a 540-hour practicum.

Cebu Roosevelt Memorial Colleges | Lead Full-Stack Developer (Capstone) | Aug – Dec 2025

Architected and defended BogoBallers, an end-to-end basketball league management system using Python, SQL, React, and Flutter.

SKILLS

Languages: TypeScript, JavaScript, Python, C#, SQL, NoSQL, REST APIs, PHP

Frameworks: Next.js, React.js, Laravel, React Native, Nest.js, FastAPI

Tools: Docker, Git, GitHub, Supabase, Firebase
